Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Airway Heights Downtown Alternative Transportation Improvements in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Airway Heights and the project is located at 1208 S. Lundstrom, Airway Heights, WA 99001.

The funding is designated for the next step in completing the city's pedestrian and bicycle transportation systems.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the area as the project sections represent areas that provide critical alternative transportation routes to major travel destinations.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Cathy McMorris Rodgers
Member of Congress
